**Applications:**

This is an excellent landscape product that offers thatch, which provides added body, reducing the amount of infill needed. The four color blend of this surface provides a truly authentic look and feel that truly resembles a natural lawn. This product can be used for landscapes, fringe, playgrounds, pet areas, and much more. This product can be installed outdoors or indoors on a compacted aggregate base or over concrete.

These specifications are standard and may vary slightly due to manufacturing tolerances or consumer specifications.
